Since elected in 2020 I have been working constantly on tax relief for Minnesotans.

Hi, Gene Domink, your common-sense State Senator. I have supported removing income tax on social security and retirement income. I have supported a senior citizen property tax credit, beginning farmer tax credit, butcher shop machinery tax exemption, charitable gambling tax reduction, and other common sense tax relief legislation. There is more tax relief work to be done for YOU. Please re-elect Senator Gene Domink November 8th.
