Hi, Gene Dornink, your common sense State Senator. Since you elected me in 2020 I have been working on common sense legislation for all of us. I am a believer in term limits and introduced legislation. I voted for protecting parents rights to speak at school board meetings and reopening local driver and vehicle services— both of these important common sense bills PASSED! I am a citizen, not a politician, and am asking for your vote November 8th to continue common sense legislation for Minnesota.

Disclaimer: Paid for by the Dornink for Senate Committee.
