Many politicians are afraid to take a stance or tell you where they stand. I am not one of them.

Hi, Gene Domink. I am your home-grown, hard-working, common-sense State Senator. Please visit my website, Dominkforsenate.com, and click on my platform and accomplishments. I want all voters to know who I am and what I stand for before you vote. I am a husband, father, and small business owner, not a politician! If you like common sense leadership, please re-elect Gene Domink State Senator November 8th.

Disclaimer: Paid for by the Domink for Senate Committee.
