Agriculture is one of our most important industries! Hi, Gene Domink, your common sense state senator. Meeting with area farmers, listening to their concerns, and taking them to St.Paul is one of my priorities. In addition, I will keep working to lower taxes on ag land and reduce burdensome regulations. Farming is a huge part of District 23! With your vote November 8th I will continue working for our farmers!

Disclaimer = Paid for by Domink for Senate committee.
